History 9am-3pm Invited Students			

Year 11 Easter Revision Sessions

Dear Parent/Carer,

Please find below a list of the revision sessions that are being held within the academy over the Easter holiday. We will also published our Easter Revision timetable in the following locations from Monday 27th March.

- On students' individual **Show My Homework** page as a notice
- On our webpage at KBA.uk
- On the Year 11/13 Team via Microsoft Teams and emailed directly to every student via their school email address

Frequently Asked Questions:

Q Do students need to wear school uniform?

A No, students do not need to wear school uniform.

Q Which sessions has my child been invited to?

A Students will be informed in their subject lessons. If they have been invited to any sessions, form tutors will also have a list of the sessions that each student has been invited to.

Q What does Priority Subject mean?

A Where subjects are identified as the priority, then we will be directing students to those sessions even if they are invited to more than one session at any time. Once the prioritised session is complete then students are welcome, encouraged, to go to any other sessions.

Q Will food be available for free or to purchase?

A There will be no food/drink available and students will need to bring food and water bottles.

Q Is the school open for me to come in during the day and revise a subject NOT on this list?

A YES...the school is OPEN 9am – 3pm on each of the days included in the grid. We will open the library and make computers available for students to work.

Q If a session is stated as being 9am – 3pm do students have to stay the whole day?

A We would like all students to take full advantage of the staff being in school, however, they are free to leave at an appropriate time by signing out.

Q If a subject is 9am – 3pm and a student finishes early, can they go to another subject area?

A Yes, on completion of their work and if the teacher is happy for them to leave, students are more than welcome to continue to study in the academy or swap to another subject.

As you can see, this is an extensive revision programme and we would like all year 11 students to access as much as possible whilst resting and having some down time.
