

ISM Music Academy Lessons Now Available at KBA Secondary School

Dear Parents and Carers,

We are delighted to share that ISM Music Academy will now be offering peripatetic music lessons to **all year groups at KBA Secondary School** starting September 2025.

ISM Music Academy is proud to deliver fun, engaging, and structured lessons designed to bring out the best in every young person. Whether your young person is a complete beginner or an advanced musician, our goal is to help them thrive through high-quality music education. As part of our provision, students also have the opportunity to take graded music exams with ABRSM, RSL, or Trinity—should they wish to pursue formal qualifications. It is encouraged that your child also joins one of the school's extra-curricular music ensembles.
