IMPORTANT

- Blank rows may appear where students have studied a course at some time throughout the academic year.
- Students studying Separate Science, please use the separate report for your Biology, Chemistry and Physics results.

KS4 Professional Prediction

Attitude to Studies

End of Year Testing

- This is the grade that your teacher believes you will achieve at the end of you current KS4 studies.
- Your teachers have provided a grade of 1 to 4 for the attitude to learning scores.
- Attitude to studies grades, 1 = Outstanding, 2 = Good, 3 = Requires Improvement, 4 = Unsatisfactory
- These are the results from your scheduled end of year tests and include the *raw* mark and the grade achieved.
- Use the grade boundaries provided to identify how close you were to any grade.
