

# Exam timetable

## May/June 2023

A-level, AS, Level 3 certificates, Functional Skills and Applied General

### Timetable notes

1. A-level and AS exams are timetabled in common exam slots agreed by all exam boards under the Joint Council for Qualifications (JCQ).
2. Each exam must be taken on the day, date and at the time shown on the timetable. The published starting time of all exams is either 9.00am or 1.30pm. Students taking more than one exam in a session should take these consecutively. At the discretion of the school/college a supervised break may be given between the exams taken consecutively.
3. Schools/colleges may start an exam up to 30 minutes before the published starting time without notifying AQA.
4. Schools/colleges may delay the starting time of an exam by up to 30 minutes later than the published starting time without notifying AQA.
5. For information on any other timetable variations, please refer to the JCQ [Instructions for conducting examinations](#) or contact [Customer services](#).
6. For examinations that last less than one hour, candidates must be supervised and question papers must be kept in the centre's secure storage facility until the published finishing time of the examination.
7. Some components require the issue of question papers, stimulus material or other information in advance of the normal timetable period. Schools/colleges should check the specification for information on the material required by students.
8. Any reading time allowed for an exam is included in the time specified.
9. Schools/colleges must arrange practical and oral units according to the procedures given on the relevant [subject](#) page of our website. Such units are shown only on the 'Subject and product list' pages of this document.

10. The latest dates by which schools/colleges should submit their marks/assessments or levels to AQA and to the moderator are shown in the table below.

Submission date	Subjects
15 May 2023	All units and components unless specified below
31 May 2023	Art and Design

11. Students retaking a qualification with a non-exam assessment (NEA) component may carry forward their NEA marks a previous series in accordance with the guidance available on the [Carry forward of marks](#) page of our website.
12. Please see examination window details in the table below:

\*Schools/colleges can only test during 5 weeks of this window

13. Composition briefs for A-level Music 7272/C will be released on or after 15 September 2022 and are to be conducted between 1 March 2023 and 15 May 2023.

15. The visiting window for A-level Drama (7262/X) will take place between 1 February 2023 – 31 May 2023.

Schools/colleges should check the specification for information on the material required by students in the exam. Stationery can be ordered by exams officers prior to the exam.
18. Students taking AS and A-level Mathematics, 7356 and 7357 require the booklet “Formulae for A-level Mathematics but may prefer to use “Formulae and statistical tables for A-level Mathematics and A-level Further Mathematics” if they are also taking Further Mathematics. Students must use clean

copies provided by AQA and not versions printed from the website. Students must not bring their own annotated copies into the exam room. Schools/colleges should check the specification for information on the material required by students in the exam. Stationery can be ordered by exams officers prior to the exam.

19. The externally set assignment for A-level Art and Design will be dispatched to schools/colleges for issue on or after 1 February 2023.
20. The submission date for A level Physical Education will be two weeks prior to the school/college's moderation visit. Moderation visits will take place between 1 March and 31 May 2023.
21. The awarding bodies have designated Thursday 8 June 2023 and Wednesday 28 June 2023 as 'contingency days' for examinations. This is consistent with the qualification regulators' document Exam system contingency plan: England, Wales and Northern Ireland – [gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland](https://gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland) The designation of 'contingency days' within the common examination timetable is in the event of national or significant local disruption to examinations in the United Kingdom. It is part of the awarding bodies' standard contingency planning for examinations.
- Centres must therefore remind candidates that they must remain available until Wednesday 28 June 2023 should an awarding body need to invoke its contingency plan.
22. Results will be dispatched to be received in schools/colleges as follows:
