

2022-2023 Business_Curriculum Plan		Key Stage 4 Enterprise	
HMCI Amanda Spielman comments on 'curriculum': “The yardstick for what school leaders want their pupils to know and to be able to do by the time they leave school. - The national curriculum is an ‘important benchmark’, but the content, structure and how it is developed is down to school leaders to decide.”		Intent of Business_KS4 Curriculum: To thoroughly prepare all students to achieve maximum success in their qualification and to enable them to master the skills needed to be successful in their future aspirations.
