

2022-2023 Spanish Curriculum Plan	Key Stage 5 (Year 12-13)
HMCI Amanda Spielman comments on 'curriculum': “The yardstick for what school leaders want their pupils to know and to be able to do by the time they leave school. - The national curriculum is an ‘important benchmark’, but the content, structure and how it is developed is down to school leaders to decide.”	Intent of <u>Spanish</u> KS5 Curriculum: To enable students to learn many skills that are useful in a wide range of careers, such as the ability to communicate clearly, be confident about speaking in public, use problem-solving strategies and write coherently through the medium of Spanish. It will also help with developing critical thinking, creativity and independence while adding an international dimension in A-Level choices.
