## Welcome to the Year 1 home learning pack

We have set daily tasks for your children to do for home learning (see the weekly grids). Some of the activities are on sheets and the rest can be accessed through Purple Mash. Please remember your neat presentation. The Purple Mash tasks will appear on the 'To Do list' each day. We will be on Purple Mash to see the wonderful work and the children can message us or each other through a safe online system.

Follow these steps to send a message in Purple Mash  
(the children have been learning at school too)

Please get in touch if you have any problems or would like additional tasks

## Home-learning project

As part of our term 4 Science curriculum, we have been learning about animals and their habitats. For our home-learning project we would like the children to design, create and make their own bug house.

When it's finished - please take photos or bring it in!
