## BBC Bitesize

<https://www.bbc.co.uk/bitesize/levels/zbr9wmn>

BBC Bitesize has some great videos to help with the 2Dos that are set on Purple Mash. The videos do require Adobe Flash Player.

### Maths

#### Telling the time

Purple Mash have some activities where children can learn to tell the time in small steps. As students are all at different stages with this, it will not be set as a 2Do. Please spend some time on these activities to assist with learning to tell the time.

There is also an expectation that pupils will engage in overlearning activities of the basics.  
These include:

Timetables	Reading	Spelling
<p>TT Rockstars - Sound Check (login provided)</p> <p>Hit the Button – <a href="https://www.topmarks.co.uk/maths-games/hit-the-button">https://www.topmarks.co.uk/maths-games/hit-the-button</a></p> <p>BBC SuperMovers Times Tables Collection – <a href="https://www.bbc.co.uk/teach/super-movers/times-table-collection/z4vv6v4">https://www.bbc.co.uk/teach/super-movers/times-table-collection/z4vv6v4</a></p> <p><a href="http://mathsgames.org/">http://mathsgames.org/</a></p>	<p>Each child needs to practise reading.</p> <p>Each child will have some home reading books, as well as some accelerated reader books.</p> <p>You are also more than welcome to read books you have at home.</p> <p>Try and read (either by yourself or with someone else) at least once a day. You can quiz on books using your accelerated reader login between the hours of 8am to 4pm every day. <a href="https://ukhosted58.renlearn.co.uk/3511780">https://ukhosted58.renlearn.co.uk/3511780</a> - the link for Accelerated reader.</p>	<p>Each child needs to practise spelling their year group word list.</p> <p>We have provided exercise books and pencils for this! If they are highlighted, then these are the words you need to learn. Some sheets are not highlighted, in which case, learn some words that you feel less confident with.</p>

## Want to learn a new skill?

<https://www.duolingo.com/> is a website (but also can be downloaded as an app) where you can learn a new language of your choice! It is very interactive and user friendly.

## Daily Journal

In a separate sheet we have explained this task in more detail. – However, we have tasked you with making a daily journal entry in your exercise book!

## Keep in Touch

You can keep in touch with your class teacher via 2email.

(<https://www.purplemash.com/app/links/2email#/inbox>) This can be accessed through the home page → computing → 2email. You can use this system to keep in touch with your peers as well but be aware class teachers will be approving (and reading) every message you send to one another.

Please note - the letter sent out stated that there would be a WordCombo 2Do. However, we have replaced this with the Sentence Stacking as we feel this will be more beneficial.
