### **BBC Bitesize**

<https://www.bbc.co.uk/bitesize/levels/zbr9wmn>

BBC Bitesize has some great videos to help with the 2Dos that are set on Purple Mash. The videos do require Adobe Flash Player.

### **Maths**

#### **Telling the time**

Purple Mash have some activities where children can learn to tell the time in small steps. As students are all at different stages with this, it will not be set as a 2Do. Please spend some time on these activities to assist with learning to tell the time.

If your child is not able to access the learning set, please follow the instructions below to choose a more suitable activity.

**Home – Mathematics – Topics-Number – Multiplication and Division (You can choose from a range of topics here) – Select appropriate activity/Age range**

There is also an expectation that pupils will engage in overlearning activities of the basics. These include:

Timetables/Maths Game	Shared Reading	Spelling

Children are expected to talk about a book and be able to answer questions based on the text</p>	<p>Each child needs to practise spelling their year group word list. This is accessible via purple mash.</p>

**Topic Home Learning Project:** Next term we will be studying space. Children can start to research this topic and can design a space themed model of their choice. Children could use recyclable materials to do this (egg boxes, cereal boxes, soft drink bottles etc).

Some examples of previous projects: Space Rocket, Space Buggy, Planet, Solar System, Space Station etc.

### Keep in Touch

You can keep in touch with your class teacher via 2email

(<https://www.purplemash.com/app/links/2email#/inbox>) This can be accessed through the home page → computing → 2email. You can use this system to keep in touch with your peers as well but be aware **class teachers will be approving (and reading) every message you send to one another.**
