

School Uniform: Parent / Carer Information

We understand that buying school uniform can be expensive. That is why we have followed the government guidance on how to best support students to make this affordable.

We have taken into consideration:

- The total cost of school uniform and all items of uniform or clothing parents/ carers will need to provide while their child is at the school.
- Kept the use of branded items to a minimum – these are the items of clothing including the KBA logo.
- Ensured that our uniform supplier gives the highest priority to cost and value for money (including the quality and durability of the garment).
- Tried to keep a stock of second-hand uniforms available for parents/ carers to acquire.

Support and advice:

- If you would like further advice about purchasing our branded school uniform items/ or acquiring any of our good quality second-hand uniform stock, please contact:
